THANKS FOR GIVING

To my Brothers and Sisters in Christ

James 1:2 Count it all joy, my brothers, when you meet trials of various kinds, for you know that the testing of your faith produces steadfastness. And let steadfastness have its full effect, that you may be perfect and complete, lacking in nothing.

And that is exactly what happened. Thank you for the support and kindness of your heart. I lacked in nothing and had all we needed to provide over 250 families with a turkey and/or the fixings to this year and we are still giving. I am no longer amazed at your acts of generosity but I am forever grateful and humbled by your dedication and labor to make sure others are treated with love and care. Thank you is not enough to express the gratitude that I feel. Please know that each and every one of you are in my constant prayers. God bless and have a wonderful holiday season. This was a great start.

Love Bunny Neal

Bethesda Healing Ministry

Holiday season is particularly difficult for those women struggling with the grief and remorse of a past abortion experience. Regret, shame, anger and sadness all come to the surface and can lead to depression, fatigue, loneliness, isolation and overall malaise. In this special time of year, if you or someone you know are suffering through a past abortion experience, there is help and hope at Bethesda Healing Ministry, a Catholic lay ministry dedicated to helping women navigate the waters of healing. Please call 614-309-0157 to speak confidentially with a caring and loving advocate.

"Wives, be subordinate to your husbands...Husbands, love your wives...Children, obey your parents in everything...Fathers, do not provoke your children..."
 COLOSSIANS 3:18-21

Pope Francis said that families, through their life of prayer and love, become "schools of true human growth." Being credible witnesses of Christian love, especially that of family members, exerts the most positive influence on our children. We are all children of God, let us pray and love each other as God, Our Father, does for us.
