BREAD Research

A couple of months ago, the BREAD Team announced that the new issue that BREAD will work on this year is gun violence. The research committee is starting its research process by interviewing experts and decision makers on this topic. Part of this process is getting stories from people in the community like you to tell our leaders how gun violence has affected them. This research and stories not only provide personal testimonies but also helps us to narrow the issue to a problem statement and find a solution where we can collaborate with the decision makers. How has gun violence affected you or someone you know? Share your story with a BREAD team member and help us reduce gun violence in Columbus. Your BREAD team members are Charlene Brown, Carolyn Borden Collins, Wes Fullen Juana Hostin, and Felicia McGimpsey. Bread...rises.

And a voice came from the heavens, saying, "This is my beloved Son, with whom I am well pleased." Matthew 3:17

Two thoughts come to mind when reading this. First, God, Our Father, is so generous, that he gave his only son, whom he really loves, to us so that we can have eternal life with him in heaven. God, Our Creator, really loves us, too! Second, Jesus was obedient to his Father's will, even to the point of death. This is a reminder that our own lives are pure gifts from God and meant to serve God and others.
