BREAD Research

A couple of months ago, the BREAD Team announced that the new issue that BREAD will work on this year is gun violence. The research committee is starting its research process by interviewing experts and decision makers on this topic. Part of this process is getting stories from people in the community like you to tell our leaders how gun violence has affected them. This research and stories not only provide personal testimonies but also helps us to narrow the issue to a problem statement and find a solution where we can collaborate with the decision makers. How has gun violence affected you or someone you know? Share your story with a BREAD team member and help us reduce gun violence in Columbus. Your BREAD team members are Charlene Brown, Carolyn Borden Collins, Wes Fullen Juana Hostin, and Felicia McGimpsey. Bread...rises.

"Now the Lord has spoken who formed me as his servant from the womb..." Isaiah 49:5

God has given each of us different gifts. In order for God's plan to work, you have to do what God is calling you to do and I have to do what God is calling me to do. And guess what? God has given each of us a different plan! So, stop comparing yourself to others. Don't let envy and jealousy enter your life. Be thankful for the gifts God has given you generously share them with others.
