"He called them, and immediately they left their boat and their father and followed Him." Matthew 4:22

Just as Jesus called the first apostles, He calls each of us to follow Him, too. Not everyone is called to leave their business or family behind, but we are expected to put God first in everything. Everything from our time in daily prayer, our talent in participating in one of our parish ministries and our treasure to support the financial needs of our parish mission.

## BREAD Research

A couple of months ago, the BREAD Team announced that the new issue that BREAD will work on this year is gun violence. The research committee is starting its research process by interviewing experts and decision makers on this topic. Part of this process is getting stories from people in the community like you to tell our leaders how gun violence has affected them. This research and stories not only provide personal testimonies but also helps us to narrow the issue to a problem statement and find a solution where we can collaborate with the decision makers. How has gun violence affected you or someone you know? Share your story with a BREAD team member and help us reduce gun violence in Columbus. Your BREAD team members are Charlene Brown, Carolyn Borden Collins, Wes Fullen Juana Hostin, and Felicia McGimpsey. Bread...rises.
