BREAD Research

A couple of months ago, the BREAD Team announced that the new issue that BREAD will work on this year is gun violence. The research committee is starting its research process by interviewing experts and decision makers on this topic. Part of this process is getting stories from people in the community like you to tell our leaders how gun violence has affected them. This research and stories not only provide personal testimonies but also helps us to narrow the issue to a problem statement and find a solution where we can collaborate with the decision makers. How has gun violence affected you or someone you know? Share your story with a BREAD team member and help us reduce gun violence in Columbus. Your BREAD team members are Charlene Brown, Carolyn Borden Collins, Wes Fullen Juana Hostin, and Felicia McGimpsey. Bread...rises.

How seriously do you take being a Catholic? Is "being Catholic" something I just do when I attend Sunday Mass or attend one of my parish functions? It's easy to be Catholic then, it's harder to be Catholic when I am out in the world. Would someone recognize you as a Catholic by the way you act, dress and talk? How do you present yourself to the Lord and others?
