2. Log into our website and click the "Watch live" link on the front page of the site.
3. Once you ear on our YouTube channel click the subscribe button in the upper right-hand side of the page. This way you can easily look at your subscription for live events or previously recorded videos.

We are also looking to add Facebook live as a viewing platform. More information will follow on Facebook.

Thanks, and let us know if you have questions. Again, we thank the Catholic Foundation for awarding us the grant that made this project possible.

 "I will be their God and they shall be my people." Jeremiah 31:33

What does it mean to be God's people? It means we recognize that everything we have and everything we are belongs to God. We aren't "owners" of anything, we are merely "stewards" of the gifts God has given us. It means we are willing to use our gifts and our lives to care for our family, our neighbors and for people we don't know, just as God cares for each of us. What we have, we do not own.

Learn how you can share those gifts to you and support your parish by contacting The Catholic Foundation. Visit www.catholic-foundation.org/development for more information.
