Real Presence, Real Future reflections: Why Bother?
Deacon Jeff Carpenter, St. Bernadette, Lancaster
We have all felt like the apostles in the gospel today. We see hunger, poverty, sickness, disaster, or other human suffering, but when we look at our resources, we feel we have so little to offer. We think why bother? Our connection to Jesus in the Real Presence gives us the courage to be like the apostles, offering what we can and trusting in the Lord to bring forth fruit. With a strong connection to Jesus through the regular reception of his presence in the eucharist we are always aware that we are working with and for him in all we do.

“There is a boy here who has five barley loaves and two fish: but what good are these for so many?” John 6:9

The miracle of the Loaves and Fishes carries two important messages. First, no matter how little we have, we always have enough to share. Second, Christ can take our humble gifts and do great things with them if we are just willing to let Him. Nothing is impossible with God. All of our gifts, big or small, were given to us for a reason. No gift is too small or insignificant!
