It's that time of the year again to think about planting and gearing up for summer gardens. Thanks to the Ladies of the Alpha Sigma Omega Chapter of the Alpha Kappa Alpha Sorority, Inc. the raised beds were weeded in late March and readied for plants. Their committee for the Environment would like to work this spring and summer with the planting and care of the garden area. Anyone interested in caring for a plant bed for themselves or family, please let Linda Waddell know. Or if you would like to help this year tending the garden help is definitely needed. Our intent is to share anything grown with the community. Right now the grass and dandelions inside the garden and the immediate perimeter need cutting. If you could mow once or on an ongoing basis please let Linda know. We hope to get the garden weeded and planted soon.
