

St Dominic Church

Memo

Date: April 12, 2021

To: The Ministries, Committees, and Affiliate Organizations of St Dominic

From: Father Ramon Owera, Pastor

Regarding: Parish Center Reopening

Greetings to all of you,

This past year has been difficult and filled with a lot of uncertainty. Your efforts to maintain contact with the members of your group during the Covid-19 crisis is deeply appreciated. We are at the stage when we can look toward returning to some semblance of normalcy. **Our plan is to reopen the parish center on June 1, 2021.**

In preparation for the reopening, members of the pastoral council are updating the Rental and Use Agreement, Fee Schedule, and signage. Additionally, they are preparing guidelines to be followed that are in accordance with the State of Ohio and Diocese of Columbus Covid-19 directives.

Every ministry, committee and organization that uses the parish center for any reason will need to enter into the updated Rental and Use Agreement to be able to use the center.

A version of this memo has been sent to the leaders of all ministries, committees, and affiliate organizations. It includes specific instructions for providing information about their specific use of the center.

Please contact Wesley Fullen, 614-565-1714, wesfullen@gmail.com, if you have questions or need additional guidance

First Fellowship of 2021

On Saturday, May 22, 2021, the Pastoral Council will host a Parish Center Spring Cleaning. Everything that is not associated with the maintenance and operation of the center, or that has not been secured by that date will be discarded.

In addition to discarding items that have been left, we plan to clean and disinfect all surfaces, and rearrange the space to better accommodate center activities.

We need volunteers to assist with the spring cleaning. Whatever commitment of time you can make will be greatly appreciated.

Come in the morning for a couple hours,

Come in the afternoon for a couple hours,

Come in the morning and stay all day

Work inside discarding, cleaning, and rearranging

Work outside weeding, pruning, and planting

Help prepare and serve food (yes, we will feed you!)”

Sit (outside) and fellowship and support
