February is American Heart Month. “Caring for your heart through a healthy diet and regular physical activity is the secret weapon to preventing heart disease. The real preventative power lies with real changes to your lifestyle—which can reduce the risk of heart disease by as much as 80 percent.” Take the Healthy Heart Quiz. The Health Ministry is Sponsoring Mental Health First Aid training at St. Dominic. The free class is for anyone age 18 or over who wants to learn about the warning signs and risk factors of mental health concerns. This training will be taught by NAMI Franklin County staff (National Alliance of Mental Illness). Participants will receive a workbook and certificate. This training is important as more focus is given to mental health in this country. We want to be prepared to help our family, friends, parishioners, and coworkers address mental health concerns. This two-part workshop is being offered March 5 and March 19 from 9:00am to 12:00pm. Contact Kim Coleman at 266-6729 or Juana Hostin at 440-2099 if you have any questions.
