Dear Fellow Parishioners,

Tulips and daffodils, hyacinth and crocuses and even those pesky dandelions are once again in full bloom. Last spring we were blessed to have members of **The Harmony Project** clean up and weed the **St. Dominic/Neighborhood House Garden area**. This garden was originally created through the work of Becky Boyd, Rebecca Peacock-Creagh and others. Let's continue their intentions to have a Community Garden in our Neighborhood where fresh items are currently hard to find. If you enjoy planting, weeding and seeing plants grow to harvest, please plan to help out this spring and summer whether it be once, weekly, monthly or whenever you have the time. Parish organizations and families as well as people in the community are invited to plant the many beds in the garden. High school students looking for Community Service hours are invited to also participate. All ages are welcome to share your expertise and effort. St. Dominic Church has received a small grant from the Diocese of Columbus to help in making our garden have a bountiful harvest this year. Signup sheets for those interested will be at the rear of the church and at the Parish Hall.
